PHARMACOLOGY - FROM THE EXPERIMENT TO THE CLINIC

Dear colleagues,

The VI National Congress of Pharmacology, organised by the Institute of Neurobiology of the BAS and the Medical University in Varna, will take place, at the beginning of October (01-04.10.2009) in Varna.

Being devoted to the 140th anniversary of the Bulgarian Academy of Sciences and to the inauguration of the Faculty of Pharmacy of the Medical University in Varna, this scientific forum will be held under the auspices of the President of the Bulgarian Academy of Sciences Nikola Sabotinov and the Mayor of the City of Varna Kiril Yordanov.

At the Congress, data obtained in investigations on some of the most important topics of the up-to-date pharmacology and pharmacotherapy will be presented and discussed.

We are really pleased to invite you to take part in the Congress and to present results of yours experimental and clinical studies.

We are looking forward to meeting you at the congress.

Radomir Radomirov
