

# PHYTOLOGIA BALCANICA

VOL. 12(2) • 2006

ISSN 1310-7771

[www.bio.bas.bg/~phytolbalcan/](http://www.bio.bas.bg/~phytolbalcan/)

## Contents

### Terziyski, D.

- 143 Prof. Michail Hristov (1895–1960) – founder of cytological, genetic and embryological studies in Bulgaria

### Pearce, N.R.

- 149 John Stuart Mill's botanical collections from Greece (a private passion)

### Velichkova, K. & Kiryakov, I.

- 165 Morphological variability in clonal cultures of *Tetrastrum staurogeniaeforme* (Chlorophyta, Chlorococcales)

### Sabovljević, M. & Natcheva, R.

- 169 Check-list of the liverworts and hornworts of Southeast Europe

### Papp, B., Ganeva, A. & Natcheva, R.

- 181 Bryophyte vegetation of Iskur River and its main tributaries

### Ivanova, D.

- 191 *Polypodium interjectum* and *P. ×mantoniae* (Polypodiaceae: Pteridophyta), new to the Bulgarian flora

### Marcysiak, K.

- 203 Scots pine (*Pinaceae*) from the Crimea compared to the species variation in Europe on the basis of cone traits

### Christensen, K.I., Zieliński, J. & Petrova, A.

- 209 Notes on the geographic distribution and ecology of *Salix xanthicola* (*Salicaceae*)

### Petrova, A.

- 215 *Geranium aristatum* (*Geraniaceae*): a new species for the Bulgarian flora

### Wörz, A.

- 221 Systematics and distribution patterns of the Balkan species of *Eryngium* (*Apiaceae*, *Saniculoideae*)

### Albach, D.C.

- 231 Evolution of *Veronica* (*Plantaginaceae*) on the Balkan Peninsula

### Bancheva, S.

- 245 The Balkan endemic *Colymbada finazzi* (*Centaureinae*, *Asteraceae*) in the Bulgarian flora

### Petrova, A.S. & Venkova, D.Y.

- 249 *Epipactis pontica* (*Orchidaceae*): a new species for the Bulgarian flora

### Kozuharova, E.K. & Anchev, M.E.

- 255 Nastic corolla movements of nine *Gentiana* species (*Gentianaceae*), presented in the Bulgarian flora

### Gemici, M., Gemici, Y. & Tan, Kit.

- 267 Sulphur content of Red pine (*Pinus brutia*) needles and bark as indicator of atmospheric pollution in Southwest Turkey

### Georgiev, N.

- 273 Primary production of the association *Festuca pratensis*–*Trifolium elegans* on the northern slopes of Mt Lyulin

### Vladimirov, V. & al.

- 279 New floristic records in the Balkans: 2

### Book reviews and announcements
