Contents

- Dimitrova, E. & Gyosheva, M.
3 Checklist of Bulgarian *Helotiales*
- Ivanov, D., Djorgova, N. & Slavomirova, E.
23 Palynological subdivision of Late Miocene sediments from Karlovo Basin (Central Bulgaria)
- Dencheva, K.
43 State of macrophytobenthic communities and ecological status of the Varna Bay, Varna lakes and Burgas Bay
- Kožuharova, E., Tzvetanova, V. & Firmage, D.
51 Seed germination and seedling development of two rare *Astragalus* species (*Fabaceae*)
- Kadiri, A.B. & Olowokudejo, J.D.
57 Systematic significance of foliar epidermal morphology in the West African species of *Ludwigia* (*Onagraceae*)
- Stoyanov, S.
65 A new annual *Bupleurum* (*Apiaceae*) species from Northeastern Bulgaria and Romanian Dobrogea
- Petrova, A.S.
75 First records of *Vincetoxicum nigrum* and *Avena byzantina* in Bulgaria
- Meriç, Ç., Arda, H., Güler, N. & Dayan, S.
79 Chromosome number and nuclear DNA content of *Centaurea kilaea* (*Asteraceae*), an endemic species from Turkey
- Yıldız, K., Çirpici, A. & Dadandı, M.Y.
85 Pollen morphology of *Silene* taxa (*Caryophyllaceae*) in four sections from Turkey
- Pavlova, D.K.
97 A survey of the serpentine flora in the West Bulgarian Frontier Mts (Mt Vlahina and Mt Ograzhden)
- Pirini, Ch.B., Tsiripidis, I., Karagiannakidou, V., Raus, Th. & †Babalonas, D.
109 Pseudo-steppic and aquatic flora of the Natura 2000 network site Limnes Vegoritida-Petron (North-Central Greece)
- Lazarova, M.A., Atanassova, J.R. & Yurukova, L.D.
131 Botanical origin and inorganic content of bee honey in North-Eastern Bulgaria (Shumen region)
- Natcheva, R.
137 New bryophyte records in the Balkans: 6
- Vladimirov, V. & al.
143 New floristic records in the Balkans: 13
- 167 *Book reviews*
