Proceedings VII National Botanical Conference, 29–30.09.2011, Sofia

Bulgarian Botanical Society, Sofia. Paperback, 512 pp. ISBN: 978-954-92808-2-1
(in Bulgarian with English abstracts)

The book comprises papers presented at the VII National Botanical Conference, held in September 2011 and dedicated to the 120th anniversary of the Department of Botany at the St. Kliment Ohridski University of Sofia and to the 40th anniversary of the UNESCO MAB Programme. The papers are divided into three groups:

- plenary, represented by five papers dedicated to the history of the Department of Botany, the MAB (UNESCO) Programme, botanical researches and the work of the University botanical gardens in Bulgaria;
- a jubilee research session dedicated to the 40th anniversary of the UNESCO MAB Programme on the subject of „*Protected natural territories in Bulgaria: Science in support of management*”;
- sectional papers presented at the Conference in four thematic sections:
 - Evolution, biosystematics and biodiversity;
 - Ecology, phytocenology and phytogeography;
 - Conservation of the plant genefund, phytomonitoring and plant resources;
 - Phytochemistry and natural products.

The *Proceedings* are published with the financial support of the Ministry of Environment and Water and with scientific reviews provided by 26 experts in the field.
