Contents

Yazici, K. & Aslan, A.

157 *Athallia brachyspora* and *Peccania tiruncula*:
two new lichen records for Turkey

Colacino, C.

163 Contribution to the bryophyte flora of Albania

Wiegleb, G.

171 An annotated list and key to the species of
Ranunculus sect. *Batrachium* (*Ranunculaceae*)
in Greece

Aneva, I. & Zhelev, P.

179 *Malus florentina* (*Rosaceae*): a new species for
the Bulgarian dendroflora

Zieliński, J., Tomaszewski, D., Gawlak, M. &
Kosiński, P.

185 *Tilia ×haynaldiana* Simonk. (*T. platyphyllos*
Scop. × *T. tomentosa* Moench) in Northern Greece

Vladimirov, V.

189 First record of *Legousia hybrida*
(*Campanulaceae*) in the Bulgarian flora

Shehata, A.A., Taia, W.K., Ibrahim, M.K. &
El-Shamy, I.M.

195 Systematic implications of fruits and seeds
of *Plantaginaceae* and some related genera of
Scrophulariaceae

Georgiev, V., Tsoneva, S., Gussev, Ch. & Tzonev, R.

215 Distribution of the endangered aquatic plant
Nuphar lutea and some notes on its ecology in
Bulgaria

Apostolova, I.

225 Progress of vegetation studies in Bulgaria: an
updated phytosociological checklist of the
high-rank syntaxa

Vladimirov, V. & al. (comp.).

259 New floristic records in the Balkans: 51

New taxa published in vol. 29 (2), 2023

Plantago charalampidis Strid & al., *sp. nov.* 283

Geranium margaritae Kit Tan & al., *sp. nov.* 291
